

SEIKO QR-350 Quartz Time Recorder

Small Giant

Built with style for function and looks

QR-350 time recorder was built with the goal of providing the most essential function with the simplest operation.

In seeking the best results for the easiest and most fundamental usage we have developed and bettered the time recorder.

All you have to do is just insert your time card.

You will get a sharp time imprint in purple ink, which is more legible than ordinary black and selectable larger fonts for quicker and easier viewing.

Simplest and easiest operation for your everyday use.

Main Features

- Auto-feed and auto-eject of time cards
